

Farmers Auto & Homeowners Insurance

As a Boston College employee you have access to the Farmers Insurance Group's automobile and homeowners insurance program called Farmers Group Select. A licensed insurance consultant is available for consultations and can provide you with a comprehensive insurance review and no obligation quotes. The representative will explain coverage options, give premium quotes, and help employees apply for coverage through the program.

To make accurate comparisons, please have the Declarations Page of your current policies on hand.

Special Group Discounts include:

- An **6% discount** off Massachusetts auto rates
- A **12% discount** if premiums are automatically payroll deducted
- An **7% discount** off homeowners insurance rates
- A **15% multi-policy discount** off homeowners rates if you insure both your auto and home through Farmers Group Select
- A **5% multi-policy discount** off auto rates if you insure both your home and auto through Farmers Group Select

(Note: Employees are advised to compare premiums with other carriers.)

Stacey Taylor is Boston College's Group Select representative.

You can call Stacey at **(978) 433-7821** or **(978) 257- 4579**
