Note: All amounts are <u>monthly</u> costs. Payroll deductions apply to coverage for the current month (e.g., January deductions pay for January's coverage).

The annual open enrollment period for these plans occurs in November/December, effective January 1. Employees may change plans or type of membership (individual/family), or enroll in a plan for the first time, as of January 1 each year. **Enrollment or changes at other times of the year will not be permitted** unless certain qualifying events (life events) occur (e.g., a spouse's loss of coverage due to termination of employment; marriage; birth or adoption of a child; divorce or legal separation; or death of a spouse or dependent). The Benefits Office must be notified within 31 days of the qualifying event.
