Instructions can be found on the [ITS Support website](#). If you need further assistance, please contact the [ITS Help Desk](#).
- **EagleApps Resources:** Resources for using EagleApps can be found on the [EagleApps Student Resources website](#) (BC login required). A brief guide for using EagleApps Course Information & Schedule and EagleApps Planning & Registration is linked [here](#).
- **Graduation Term:** Please check your graduation term in Agora in the Courses and Grades link to be sure that it is accurate for when you plan to complete your program. If your listed graduation term is not when you plan to graduate, please email gsomstsv@bc.edu with your Eagle ID number and updated graduation term.
- **Immunization Requirements:** All students registered for 9 or more credits are considered full-time and therefore must abide by the [University’s immunization requirements](#). Failure to comply will result in a hold on your account and a potential fine.
- **Account Holds:** Please be sure that there are no active holds on your account at the time of registration. If you have a Student Account, Immunization or any other administrative hold, you will not be able to register. The Graduate Program Office is not able to override holds. Financial Services Information can be found [here](#) (for financial holds) and University Health Services information can be found [here](#) (for immunization holds).

- **Leave of Absence/Time Away from BC:** Students who are on a leave of absence or who have not been registered for semesters prior to this one need to contact our office to have their record reactivated. Failure to do so will mean you do not have access to register at the time registration opens. If your record needs to be reactivated, please email Graduate Student Services (gsomstsv@bc.edu) for assistance.

IMPORTANT ACADEMIC PLANNING INFORMATION & RESOURCES

Students who wish to enroll in more than 9 credits will need to submit a request to overload via email to gsomstsv@bc.edu.
