Academic Assignments

Faculty Advisor, Boston College Graduate School of Social Work, Boston College, Chestnut Hill, MA September 1, 2002-Present

Provide oversight, supervision, and support to Master of Social Work graduate students in their field placement/internship agencies. Act as liaison between Boston College and the agencies.

Adjunct Lecturer, Simmons School of Social Work, Boston, MA. May 2018-July 2018

Course: Domestic Violence and Family Welfare. This clinical practice course provides an introduction to intimate partner violence in the context of family life. The course considers the experiences of women and men in heterosexual and same sex relationships as both victims and people who use violence and of children living with intimate partner violence, attending carefully to community and cultural contexts.

Adjunct Lecturer, Boston College Graduate School of Social Work, Boston College, Chestnut Hill, MA. May 2018-August 2018

Course: Adult Psychological Trauma. This course advances students' knowledge of the assessment and treatment of adult survivors of psychological trauma. Assessment and treatment is addressed from a holistic perspective healing mind, body, emotion and spirit, utilizing the adult survivor's capacity for healing with clinical approaches in a relational context, including cognitive and behavioral interventions, as well as sub-cortical approaches to the treatment of trauma.

Adjunct Lecturer, Boston College Graduate School of Social Work, Boston College, Chestnut Hill, MA. January 2016-May 2016, January 2017-May 2017, January 2018-May 2018

Course: Psychosocial Pathology This course examines adult psychopathology and the role of biological, psychological, socio-economic and cultural factors in understanding psychological disturbance.

Adjunct Lecturer, Boston University School of Social Work, Charles River Campus, Boston, MA. September 2015-October 2015, September 2016-October 2016, September 2017-October 2017

Course: Introduction to Clinical Practice with Individuals, Families and Groups. This course provides an introduction to social work clinical practice.

Adjunct Lecturer, Boston University School of Social Work, Charles River Campus, Boston, MA. January 2016-March 2016, March 2017-April 2017

Course: Clinical Practice with Groups This course provides an introduction to clinical practice with groups.

Adjunct Lecturer, Simmons College School of Social Work, Boston, MA. September 2015-December 2015, May 2017-August 2017

Course: Realities of Racism and Oppression. This course is an intensive examination of the dynamics of various forms of racism and oppression in U.S. society.

Adjunct Lecturer, Bridgewater State University, School of Social Work, Bridgewater, MA. May 2015-August 2015, May 2016-August 2016

Course: Violence: A Systemic Approach to Assessment and Intervention. This course examines violence from a multi-systemic perspective including sociopolitical/cultural influences, institutional structures and family relationships.

Faculty Advisor, Simmons College Graduate School of Social Work, Boston, MA September 1, 2007-June 1, 2011

Provide support, oversight and supervision to graduate students and their internships in the MSW program. Act as liaison between Boston College and field placement agencies.

Visiting Lecturer, Trauma Certificate Program, Simmons College Graduate School of Social Work, Spring 2011

Taught on the subject, *Fostering hope and resilience in working with urban adolescents who, along with their families and communities, have known chronic, systemic trauma.*

**Adjunct Lecturer, Boston University Graduate School of Social Work, Chelmsford, MA.
June 2009-July 2009**

Co-taught course: Implications of Racism for the Practice of Social Work.
Explored the history and impact of racism in America. Discussed the implications of white privilege and how this white privilege impacts the individual, society and our work with our clients.

Adjunct Lecturer, Bridgewater State College, Department of Social Work, Bridgewater, MA. January 2009-May 2009

Taught the Generalist Practice 1 course to students enrolled in the Bachelor of Social Work Program. Explored social work theory and practice.

Adjunct Lecturer, Boston College Graduate School of Social Work, Boston College, Chestnut Hill, Ma, September 2002-December 2002

Course: Racism, Oppression and Diversity. This course explored the history of race and diversity relations in the United States. Students explored and challenged their individual prejudices and discussed how these prejudices may impact their work with clients in a multicultural environment.

Past Positions:

Clinical Supervisor and Consultant, Aid to Incarcerated Mothers, March 1, 2008-May 2015, January 2017-May 2017

Provide individual treatment and anger management group instruction to women post incarceration and women who lost custody of their children due to substance abuse issues and are now seeking to regain custody of their children. Provide clinical supervision to clinical staff and to 1st and 2nd year Boston College Graduate School of Social Work interns.
